	<p>Live free roadworks information website – www.one.network</p> <p>The information in this report was correct at the time of publication, for live, searchable information. Please visit the website www.one.network and enter Bournemouth into the search field (top right). This is a free website that displays information on current and planned roadworks across the BCP conurbation.</p>
	<p>Highway Structural Maintenance Programme 2024/25 – Micro Asphalt</p> <p>BCP Council is undertaking an extensive carriageway maintenance program throughout the conurbation. The works are weather-dependent and involve closing the road in question. https://www.bcpCouncil.gov.uk/Roads-and-transport/Maintaining-our-roads/Highway-maintenance.aspx</p>
	<p>SSEN Boscombe-Christchurch Network Investment</p> <p>Scottish & Southern Electricity Network are investing £12 million into a 33kV network upgrade in late Summer 2026. This will boost their power supplies by future-proofing the underground cables that carry electricity for homes and businesses in the Bournemouth and Christchurch areas. For more information, please visit the SSEN website at the link below. Boscombe-Christchurch Network Investment - SSEN</p>

It is not anticipated that any of the above works will likely cause significant traffic delays, except where specifically stated.

Dates are accurate at the time of publication; however, works are subject to weather and other dependencies and may change in accordance with operational requirements.
